

Essentials Syndicator Member Firm Intake

Ready to publish one of the Essential News Feeds to your agency's website? You are a few simple steps away from being up and running.

Please complete the form below to begin the process, keeping in mind the following:

- AIN's Chief Communications Officer must be provided an active user name and password for your site and the url for all Essentials Syndicator Feed pages to verify proper implementation, aid in onboarding, etc.
- Essentials Syndicator Feeds containing carrier announcements or other "producer only" content must be placed behind a user name and password to prevent consumers from accessing the information. If you are unclear regarding which feed(s) need to be password protected, please contact Jeff Reed, AIN's Chief Communication Officer at jeff@advantageinsurance.com or 858-815-9277.
- Unauthorized or inappropriate use of Essential Syndicator Feeds may result in the Member Firm's access to News Feeds being terminated.
